A hamlet on the green hills surrounding Siena, where time has stopped.

Borgo Pretale is a corner of heaven and the ideal destination for holidays and business meetings alike. The resort can offer 28 double rooms and 7 suites, all furnished in local traditional style. The use of stone, wood and prized fabrics helps to create a warm and relaxing atmosphere. Tennis courts, a swimming pool, a gym and also an archery ground offer the opportunity to practice a wide range of sporting activities in the setting of a medieval village; the most beautiful art cities in Tuscany are close by and yet the resort is fully immersed in nature, its charm and tranquillity. An elegant restaurant offers the best choice in regional and Italian wines and cuisine. A variety of dishes exclusively prepared using each season's finest ingredients can be sampled in the inner dining-room, on the rustic veranda with exposed ceiling beams or, during the spring and summer months, on the large panoramic patio.
